Subject: Update on U&O FIP

Hi Joe, Beverly and Mike -

I want to let you know that this morning Region 8's U&O FIP team sent the proposed FIP rulemaking package to OP. This has been the culmination of an outstanding collaboration between Region 8, OP, and OAQPS to generate a Regulatory Impact Assessment that will support the rulemaking. Staff at OP have indicated that they will forward the package along to OMB as early as next week. Thanks to OAR and OAQPS for all the help. Hopefully, OMB can do an expedited review.
